ANY OTHER INFORMATION YOU WOULD LIKE TO PROVIDE ABOUT YOUR CHILD:

*We strive to provide a safe, warm, clean and
Secure environment for your little bundle of joy. Children will be
supervised at all times very little chance for injuries or fighting. A lot of
people think you can just leave the children to keep themselves happy
and busy, but I disagree, Children always need help and guidance that
is why I started the day care to give parents all the things that I know
they want from the people caring for their precious children. If you have
any questions please feel free to ask anything no matter how small of a
thing you might think it is, I am here to make sure that parents and
little ones feels comfortable and happy.
Hope your child will enjoy their time here at Kiddy Land.*

*Kind Regards
